ADMINISTRATION OF THE MEDICAID PROGRAM

The Department of Social and Rehabilitation Services (SRS) is the Single State Agency responsible for the Medicaid Program in Kansas. The Commission of Adult and Medical Services has direct administrative responsibility for the Medicaid program with the exception of the ICF/MR program, the Home and Community Based Services program for the Mentally Retarded and Developmentally Disabled (HCBS/MRDD) and the eligibility determination process. The ICF/MR program and HCBS/MRDD program are administered by the Commission of Mental Health and Developmental Disabilities. The eligibility determination process is administered by the Commission of Income Maintenance/ Employment Preparation Services. Other service areas within SRS are also involved in aspects of the Medicaid Program such as Quality Control, Finance and Accounts and the Division of Information Resources.

The Commissioner of Adult and Medical Services has responsibility for the oversight of the Medicaid Program. The Commissioner is supported by a Physician Specialist and three Division Directors.

The Health and Fiscal Services Division is responsible for all mandatory and optional services except ICFs/MR; program policy development and implementation; capitated managed care program (PrimeCare Kansas); the primary care case management program (HealthConnect); the Home and Community Based Services waiver for Technology Assisted Children; EPSDT (KAN Be Healthy); the Kansas Medical Services Manual; consumer and field services; establishing reimbursement rates; developing and managing the Medicaid Program and administrative budgets; computing fiscal impacts; the establishment of DRGs for inpatient hospital services; the establishment of capitation rates for managed care; the establishment of reimbursement rates for nursing facilities; and assisting in establishing alternative reimbursement methods.

The Medicaid Operations Division is responsible for monitoring MMIS contracting activities with the fiscal agent; oversight of the coordination and implementation of the State's Medicaid policies with the fiscal agent; quality management of both the fee-for-service programs and the managed care programs; coordination of benefits; Buy-In; SURS; the Medical Assessment Unit; administrative appeals; state rules and regulations; the Medicaid State Plan; claims processing; claims resolution; contracting activities separate from the fiscal agent; provider enrollment; MMIS reporting activities; facilities management; LAN administration; and Personnel functions.
